

537.110 Solicitation provisions and contract clauses.

Contracts for Building Services

The following provision and clauses apply to contracts for building services:

(a) If the contract is expected to exceed the simplified acquisition threshold and it is not initiated with AbilityOne under the Javits-Wagner-O'Day Act insert [552.237-71](#), Qualifications of Employees, in the solicitation and contract. If needed, use supplemental provisions or clauses to describe specific requirements for employees performing work on the contract.

(b) Insert [552.237-72](#), Prohibition Regarding "Quasi-Military Armed Forces," in solicitations and contracts for guard service.
